Dear Mr Anderson

I would like to take this opportunity to invite you to the **ENRAGED** residents meeting to be held at **Broome Village Hall, Wednesday 7<sup>th</sup> December, 20:00 hrs.** Beverages (tea) and mince pies supplied! If you are able to attend, it would be helpful if you could advise of your intention, or otherwise of your apologies for absence. The format of the session is intended as part formal presentation; part question and answer; and part with break-out groups. Your attendance and input would be very much welcomed.

It is of course difficult to judge the likely attendance at this meeting and whilst attendance at our last meeting was high (130+ residents). It was then summer. It is now very much winter.

Attached for your reference is a copy of the December 2005 **ENRAGED** news letter. This was distributed to some 500 households in the immediate locality and more selectively further afield.

I would also like to draw your attention to the parish meeting called by Ditchingham Parish Council to discuss the proposed Lafarge scheme. This will be held at All Hallows, Belsey Bridge Road, Ditchingham on Monday 12<sup>th</sup> December 19:30. While this is a parish meeting, the parish council has invited **ENRAGED** to share their knowledge with the community.

If you should you have any queries in connection with this invitation please do not hesitate to contact us. In this instance please direct any communications to Froggs Hall, as above, or call 07958 694717.

**Yours Sincerely**

Julian Green
