ENRAGED

17 March, 2006

Planning Application no. PIC/7/2005/7019 (The Ditchingham Quarry [Withdrawn]).
Mineral Planning Authority matters.

Dear File

Following inspection of NCC files in respect of the above application ENRAGED are concerned over the governance and conduct of the application process that NCC as MPA has exercised.

In this context, ENRAGED has requested that NCC provide additional information: either in the course of 'normal business' or under the Publication Scheme; or more formally, for provision of information under statute, in which case this request cites the Environmental Information Regulations 2004 and the Freedom of Information Act 2000.

The nature of our members' concern is indicated in the attached correspondence dated 13 March 2006 [which the Minerals and Waste Planning department has acknowledged receipt thereof].

If you should you have any queries in connection with the attached please do not hesitate to contact us. In this instance please address any communications to Froggs Hall, as above.

Yours sincerely

Julian Green
