Mr J Chadd
Ditchingham Cottage
Ditchingham
Bungay
Norfolk
NR35 2JY

Dear Mr Chadd

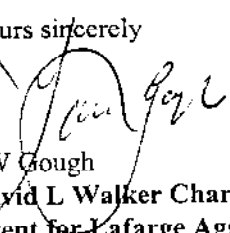

LAND AT DITCHINGHAM

With regard to your recent visit to Ditchingham Hall, please find enclosed a copy of the representative photographs taken by Phil Parker at the same visit. Should you have any comments on the photographs or on the annotations, please advise at the earliest opportunity. In the spirit of co-operation, if you have copies of photographs that you took and consider would be of assistance, then please forward to this office indicating the lens size of the camera. We would remind you that Lafarge hold the copyright on the enclosed photographs, and reproduction of them is restricted unless otherwise agreed in writing.

In respect of the Historic Landscape Assessment that was being prepared at the behest of English Heritage, this has now been held in abeyance. If a decision is made in the future to submit a new application, then the Historic Landscape Assessment will be included as an integral part of a new Environmental Statement, and copies will be circulated at that stage.

Should you have any queries, please do not hesitate to contact the undersigned.

Yours sincerely

J W Gough
